kannaparthiv

## Summary

Computer Science graduate with a strong foundation in JavaScript, React, HTML, and CSS, with an interest in frontend and full-stack web development. Skilled in building responsive web applications, integrating REST APIs, working with backend services, debugging application issues, and understanding user and data flows. Strong problem-solving and communication skills with a willingness to learn TypeScript and new technologies quickly.

## Skills

**Programming Languages:** JavaScript, Java, C++, C

**Front End:** HTML, CSS, JavaScript, React.js, Bootstrap, Responsive Web Design

**Back End:** Node.js, Java, Spring Boot

**APIs:** REST APIs, API Integration, JSON

**Database:** MySQL

**Tools:** Git, GitHub, VS Code, Terminal

**Core Skills:** Frontend Development, Debugging, Problem-solving, User-focused Design, Backend Integration

**Soft Skills:** Communication, Teamwork, Leadership, Time Management

## Education

**Sri Venkateswara University**

*Bachelor Degree : Computer Science and Engineering*

**2022-2026**

*A Grade*

## Projects

### Food Delivery Web Application

- Developed a responsive food delivery web application using React.js and Node.js, enabling users to browse restaurant menus, place orders, and track deliveries.
- Implemented user authentication, order management, API integration, and responsive frontend components for a seamless user experience.

### Online Code Editor

- Developed a browser-based online code editor using JavaScript, HTML, and CSS with syntax highlighting and real-time code execution.
- Integrated CodeMirror to provide an interactive coding environment with multi-language support and an improved user experience.

### Weather Forecast Website

- Developed a responsive weather forecast website using HTML, CSS, and JavaScript with real-time weather data from public REST APIs.
- Implemented current weather conditions, 5-day forecasts, and dynamic interface components for better user experience.

## Curricular Achievements

- Represented Sri Venkateswara University in basketball at the South Zone Championship twice, demonstrating strong athletic performance, teamwork, and dedication.
- Served as University Basketball Team Captain, demonstrating leadership, teamwork, and responsibility.
- Served as Event Coordinator for the National-Level Tech Symposium organized by the CSE Department of SVUCE, held twice with 900+ participants, contributing to strategic planning and successful execution.

## Certifications

**Career Essentials in Generative AI**

*Microsoft and LinkedIn*

**May 2025**

**Internet of Things**

*NPTEL, IIT Kharagpur*

**Jul 2024 - Oct 2024**
